

FINANCIAL LITERACY CLASSES

Financial education fosters financial stability for individuals, families and entire communities. The more people know about credit and banking services, the more likely they are to improve their financial health and well being. Money Smart helps individuals build knowledge, develop confidence, and use banking services effectively. Classes use lecture, small group discussion, and interactive exercises. Classes cover budgeting, goal setting, banking, credit, and consumer protection.

To begin learning new money skills contact Seri Madgett 425-250-3003 or email smadgett@hope-link.org. Certificate of completion is give to those participants who attend all five sessions.
