Comments:

Dear City Council Members and Staff,

I was unable to attend the Monday meeting which discussed the possibilities of eliminating the use of plastic bags in Shoreline. I really support the the City in deciding to eliminate the use of plastic bags in our community. It is now 2013, and we have wonderful alternatives to plastic bags. By eliminating their use in our community, we invite everyone to take responsibility for our Earth and community. Please forward think for our future generations and realize that this is a great opportunity to create solutions that will support their future.

Thank you for the time to hear my thoughts!

Sincerely,
Meghan Peterka
