

SCA Public Issues Committee – Policy Position Discussion

Policy Direction from Council

- **King County Solid Waste Transfer Station Plan**
Proposed Policy:
- *The Sound Cities Association requests that the Metropolitan Solid Waste Advisory Committee and the Solid Waste Division review and recommend any appropriate updates to the 2006 Solid Waste Transfer and Waste Management Plan.*

Policy Direction from Council

- **Regional Tolling Impacts Proposed Policy:**
- *To recommend to the SCA Board of Directors that the Sound Cities Association supports mitigation from the State of Washington to address impacts from the current regional tolling of SR 520, as well as potential regional tolling of I-90 and other future regional tolling.*

Policy Direction from Council

- **King County Metro Plan Update Potential Policy Position:**
- *The potential policy position is for Metro to base its long range planning on the comprehensive plans of cities, and that a public policy position to that effect will be brought back to PIC for initial consideration at the April meeting, with a potential vote at the May meeting.*
