**Date:** Monday, March 18, 2013 9:55:15 PM

---

Dear Councilman Hall,  
Thank you for your support for the modification to the transition area overlays this evening, specifically the zero set back at the right of way. It is because of your leading example and foresight that the City of Shoreline is clearly a vibrant community that supports all socio-economic classes, providing much needed housing equity in the Town Center that is near vital services.

Sincerely,

**Poppi S. Handy** · AIA · LEED AP BD+C
