

# King County Solid Waste Transfer Plan Update

Council Discussion and Direction to  
staff

# Transfer Plan Update Discussion

- Comments on the Revised Transfer Station Plan are due February 3<sup>rd</sup>
- King County staff presented new options at the January MSWAC meeting
- Options look at not rebuilding a station in NE King County

# Identified Options

- In order to not have a new NE station:
  - Option 1 – redirect commercial traffic to Renton & Shoreline
  - Option 2 – limit self haul services at Factoria
  - Option 3 – Supersize the current Factoria station rebuild

# Solid Waste Divison Rec.

- Proceed with building Factoria
- Continue conversation on options 1 & 2
- Keep future NE station on the table

# Redmond Letter Request

- Proceed with Factoria with modifications
- Further pursue options 1 & 2
- Remove a NE station from the plan
