Proposed Amendment #1

SMC 9.10.285

D. Notice of SODA Order

A person is deemed to have notice of the SODA order when:

1. The signature of the person prohibited in the order is affixed to the bottom of the order, acknowledging receipt of the order; or
- 2. The order otherwise indicates that ~~either the person or the person's attorney received a copy of the order~~ appeared before the court at the time the order was entered.
- Staff recommends that this amendment be adopted

Proposed Amendment #2

SMC 9.10.285

F. Penalties.

1. Pre-Trial SODA Order: Any person who knowingly disobeys a SODA order entered as a condition of pre-trial release shall be ~~guilty of a gross misdemeanor~~ found in contempt of court.
 2. Post-Sentencing SODA Order: Any person who knowingly disobeys a SODA order entered as a condition of sentencing ~~may also be found in contempt of court~~ shall be guilty of a gross misdemeanor.
- Staff does not recommend adoption of this amendment

Recommendation

- Staff recommends that Council adopt proposed Ordinance No. 688 establishing designated SODA areas and establishing regulations for the enforcement of these areas.
