Senior Planner

Shoreline, WA 98133-4905

Thank you for the opportunity to review the 185<sup>th</sup> Street Station Subarea Planned Action Draft EIS (June 2014). Sound Transit supports the 185<sup>th</sup> Station Area planning process being undertaken by the City. Sound Transit submitted comments to the City on preliminary draft chapters of the DEIS relating to transportation and land use prior to publication, and our comments were adequately addressed in the DEIS. We do not have additional comments on the DEIS.

Sound Transit anticipates publishing a Final EIS in 2015 on the Lynnwood Link Light Extension Rail project. As you are aware, the preferred alternative identified by the Sound Transit Board in November 2013 included a light rail station at 185<sup>th</sup> Street. A final decision by the ST Board on the project to be built will be made after the Final EIS is published.

We look forward to a continuing collaborative relationship with the City of Shoreline and working with you on the City's next steps for 185<sup>th</sup> Station Area planning process.

Regards,

Nytasha Sowers
