

## Neighborhood Associations

The City of Shoreline is made up of 14 neighborhoods. Volunteers create a sense of community in their neighborhoods by organizing social events, coordinating Block Watch activities, implementing Neighborhood Mini-Grant projects, planning speakers and sharing information through newsletters and websites. To find out what is happening in your neighborhood, contact your neighborhood representative from the list below or visit [www.shorelinewa.gov](http://www.shorelinewa.gov) for upcoming meetings and gatherings.

# Improve your *neighborhood*

Strong neighborhoods build a strong community. Working together, neighbors have a powerful opportunity to improve their quality of life and make their neighborhood a great place to live.

**SHORELINE'S  
NEIGHBORHOOD  
PROGRAM**  
is here to help.

## Neighborhood Program

### NEIGHBORHOOD SUPPORT

The City of Shoreline can help enhance neighborhood associations with innovative assistance including:

- Networking with City programs and speakers
- Coordinating an annual mailing to all residences in the neighborhood
- Arranging meeting space in public buildings
- Brainstorming ideas and projects
- Helping with general publicity (posters, flyers copied, etc.)

### MINI-GRANTS

Neighborhood Mini-Grants are available to neighborhood associations for projects which benefit the public and build community spirit. Mini-grants may be used for:

- Neighborhood improvement projects;
- Increasing awareness of the neighborhood association; or
- Bringing people together to carry out a project or program.

Neighborhood Mini-Grants are approved by the City Council and require a match in volunteer labor or in-kind donations by the neighborhood.

### COUNCIL OF NEIGHBORHOODS

The Council of Neighborhoods (CON) consists of two representatives from 14 neighborhood associations within Shoreline. The CON meets monthly to network, learn about other neighborhood happenings and meet with City representatives. This two-way communication allows neighborhood associations to provide community input and the City to present information on upcoming projects.

## Other City Resources

### SHORELINE WATCH

Shoreline Police officers help residents establish Shoreline Watch, a crime prevention tool which helps neighbors form a network with the goal of watching out for each other. Contact Shoreline Police at (206) 801-2716.

### READY NEIGHBORHOOD

To help residents prepare for self-sufficiency in case of a disaster, the City provides information materials and assistance to bring neighbors together to make a plan. Contact Emergency Management at (206) 801-2271.

### TRAFFIC SERVICES

Pedestrian and neighborhood traffic safety are priority issues for Shoreline residents. Shoreline's Traffic Services has a variety of tools to help solve traffic-related issues. Contact Traffic Services at (206) 801-2432.

### ENVIRONMENTAL MINI-GRANTS

Environmental Mini-Grants are available for projects which provide a public environmental benefit. Contact Environmental Programs at (206) 801-2451.

### CUSTOMER RESPONSE TEAM

The Customer Response Team (CRT) responds to and resolves inquiries and complaints and provides referral information for City services. Call CRT at Shoreline's main phone number, (206) 801-2700, for access to accurate information, timely responses, consistent follow-up and 24-7 emergency response.
