7. Dear City Council,

Please reconsider the large rezoning that you are proposing to Shoreline. I understand your wanting growth, but at the same time, people like me don't want to be forced out by having apartment buildings and multiple homes built around me. I have lived in the neighborhood 50 years, living next door to where my parents lived and attending the Shoreline Public Schools and now working for them. This kind of growth will impact our schools in a drastic way. We already are so full and overloading with no room to grow. As the registrar of Lake Forest Park School I see the school numbers monthly for the district and do you propose new schools for Shoreline??

Also, want to keep my home and neighborhood as a neighborhood of homes and not multiple units and apartments. Presently the house north of me is zoned for apartments and we are for the 35. I am saddened by this. We have put so much time and \$\$ into our house and don't want to be taxed out.

Please reconsider what you are proposing to do.

Joanne Olson
Life time Shoreline resident.

Thank you,
City of Shoreline
