7. In spite of the loud hue and cry of some neighbors against the re-zoning, I am a strong supporter of this move forward. My single family home is in the Phase 2 MUR 70 area. I think this makes the most sense to maximize the proximity to the new light rail station. I would love to see my neighborhood increased to higher density housing with more retail and services. This will be a hugely desirable neighborhood with easy commutes to Seattle and Everett. It will allow more families to enjoy the amenities and schools of Shoreline.

Please don't let individual loud voices override the well thought out and reasonable timeline of this plan. I hope Shoreline City Council will enact this plan as outlined.

Thanks, Anne Bingham, forward thinking Shoreline resident.
