7. I noticed that 3rd Ave. NW & NW Richmond Beach Road is the highest collision intersection in the city (pg. 20 of the 2014 Annual Traffic Report). Yet, the "No Right Turn on Red" sign has been removed (formerly preventing right turns from southbound 3rd Ave NW onto Richmond Beach Rd.) In my opinion, no right turns from southbound 3rd Ave. NW should be the rule. It's nearly blind to the left when executing a right turn. I still don't do it.

Thank you,
