MAYOR	Keith McGlashan
DEPUTY MAYOR	Chris Eggen
COUNCIL MEMBERS	Will Hall Doris McConnell Chris Roberts Jesse Salomon Shari Winstead
CITY MANAGER	Debbie Tarry
CHIEF OF POLICE	Shawn Ledford

From Your Police Chief

Dear Shoreline Residents,

It is my pleasure to present the 2013 Police Services Report for the City of Shoreline. This report provides an overview of crime statistics, cost comparisons, information on police response times to calls, and services your police department provides. I hope you find the information informative and easy to understand. As your police chief, I'm committed to being responsive and focusing our efforts on issues that are important to the community.

The City of Shoreline consistently rates high in resident satisfaction surveys regarding overall quality of police protection and residents feeling safe in their neighborhood. One area where improvement is desired is around our police department's effort to reduce crime. Your feedback helps us evaluate our focus as we continually strive to improve our service.

Our goal is to keep Shoreline a safe community and proactively fight crime. As a resident, you play a significant role in helping us achieve that goal. You truly are our eyes and ears in our neighborhoods. When you notice suspicious activity we encourage you to call 9-1-1 immediately. The police and community working together is still the most effective way to prevent crime and/or provide the police information to apprehend those responsible for crimes.

We also encourage you to get involved in the community through Shoreline Watch, which is crime prevention information presented by Officer Steve Perry. The meetings are informative and relevant to issues in your neighborhood. Meetings generally last less than an hour. For more information on Shoreline Watch and crime prevention, please visit the police web page at www.cityofshoreline.com.

Thank you for taking the time to review the Police Services Report. I would like to thank the Shoreline City Council, city staff, and residents of Shoreline for making this such a great community. I would also like to commend the members of the Shoreline Police Department for their professionalism, and their efforts to reduce crime and helping to keep Shoreline a safe community.

Respectfully Submitted,

Shawn V. Ledford
Police Chief, City of Shoreline

About the Annual Police Service Report

The Annual Police Service Report contains information on the service efforts and accomplishments of the Shoreline Police Department to support its mission, goals, and objectives.

The goal of the report is to keep the City of Shoreline residents, staff, administrators and elected officials informed of police service and crime activity in the city. The report is produced by the City of Shoreline Police Department in partnership with the King County Sheriff's Office (KCSO) Research, Planning and Informational Services and Contracts Units. Questions about the report can be directed to the Shoreline Chief of Police.

The Police Service Highlights section gives a narrative of police efforts and year-to-year comparisons of selected crime and police service data.

The Police Service Data section provides further detailed crime and police service data. Please note that numbers in this section may differ slightly from numbers in the Police Services Highlights due to collection from several sources and in some cases rounding up.

Shoreline Police Department Mission, Goals, & Core Values

Mission

The mission of the Shoreline Police Department is to prevent crime and create an environment where people feel safe, while providing quality, professional law enforcement services designed to improve public safety.

Core Values

The Shoreline Police are committed to the core values of Leadership, Integrity, Service and Teamwork. We firmly believe in our core values and let these values guide all work that we do in the community.

Goals & Objectives

In order to realize this mission, the City of Shoreline Police Department has adopted the following goals and objectives:

Goal # 1: Reduce crime and the fear of crime

Objective: Use information for crime analysis

Objective: Apprehend offenders

Objective: Prevent crime

Objective: Improve residents' feeling of security

Goal # 2: Provide high-quality, cost-effective, and accountable services to the City of Shoreline

Objective: Provide responsive services to residents.

Objective: Provide cost-effective services to residents.

City of Shoreline Patrol Districts

City of Shoreline **Police Service Highlights** 2013

City Cost Comparison

The city cost comparison study is conducted annually by the King County Sheriff's Office Contracts Unit. The study accounts for city budget differences and may factor in (or factor out) certain line items in an effort to allow for "apples-to-apples" comparison between cities. Shoreline's cost per capita shown here is different than the contract cost per capita, which only includes Shoreline's law enforcement contract paid to the county. The following budget information is obtained directly from the city's budget, which may include funding for extra police services.

City	2013 Police Budget	2013 Population	2013 Budgeted Sworn	Cost/ Capita	Cost/ Sworn	Sworn/ 1000
Auburn	\$19,667,768	73,235	101.0	\$269	\$194,730	1.38
Bellevue	\$37,884,315	132,100	177.0	\$287	\$214,036	1.34

2. Population is from the Office of Financial Management.

Shoreline's Crime Rate

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

Source: Police Services Data

Part I Violent Crimes against People

Part I Crimes include crimes categorized as “violent crimes” or “crimes against people.” The following are Shoreline’s Part I Violent Crimes.

Homicide

Source for all below: Police Services Data

Homicide

The willful killing of one human being by another. Includes murder and non-negligent manslaughter, justifiable homicide, and manslaughter by negligence.

Rape

Rape

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

Aggravated Assault

Aggravated Assault

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Robbery

Robbery

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

Part I Non-Violent Crimes against Property

The second group of Part I Crimes is known as “non-violent crimes,” “crimes against property,” or “property crimes.” The following are Shoreline’s Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

Arson

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

Source for all below: Police Services Data

Burglary (breaking or entering)

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

Larceny (except vehicles)

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

Traffic and Automobile Incident Information

Vehicle Theft

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Source: Police Services Data

Thefts and Attempted Thefts ("Prowls") from Automobiles

A theft or attempted theft ("prowl") from an automobile is the act or attempted act of taking something from the inside of an automobile.

Source: Police Services Data and CAD System

Shoreline Police Department Traffic Programs

Traffic Collisions

Collision information includes reports for injury, non-injury, and fatality vehicle collisions. Driving under the influence (DUI) collisions and hit-and-runs are excluded from this category.

Source: Police Services Data

Traffic Citations

Traffic citations include reports of all moving/hazardous violations (such as all accidents, driving under the influence, speeding, and reckless driving), and non-moving compliance violations (such as defective equipment and parking violations).

DUI Citations

Driving under the influence of alcohol citations are included in the above count for traffic citations, but are broken out here to show trends.

Part I & II Cases Closed by Arrest

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor’s Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

Source: KCSO RPIS Unit

Adult and Juvenile Charges and Arrests

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

Source: Police Services Data

Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a “dispatched call for service.”

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

Source: Police Services Data and CAD

Response Times to High Priority Calls

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a “priority” based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

“Priority X” designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

“Priority 1” designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

“Priority 2” designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Shoreline’s Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Source: Police Services Data

Computer Aided Dispatch (CAD): A computerized communication system used by emergency response agencies for dispatching and tracking calls for emergency assistance.

Commissioned Officers per 1,000 Residents

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Shoreline for every 1,000 residents. The total number of commissioned officers includes full-time dedicated officers, plus officers who work in supervisory or other non-patrol related positions, as well as, officers that work in specialty units that are on-call for the city. Although the number of Shoreline's dedicated officers may stay the same from year to year, the number of officers that respond to calls for service can change with the city's needs. Therefore, the number of total commissioned officers can increase or decrease depending on Shoreline's service needs from year to year.

Source: KCSO Contracts Unit

Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Shoreline pays for and does not include the number of responses an officer initiates (such as, witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as, supervisors or special duty officers/detectives).

Source: KCSO Contracts Unit

Costs of Police Services per Capita

The City of Shoreline contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- Mutual aid agreements with other law enforcement agencies in Washington State
- A large pool of officers if back-up help as necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- Experienced officers to select from for city staffing
- Cost sharing throughout the department to keep city costs down

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Shoreline may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita which shows the contract cost for police services divided by Shoreline's population.

Source: KCSO Contracts Unit

Cost per \$1,000 of Assessed Real Property Value

Cost per \$1,000 of assessed real property value shows Shoreline's contract cost in relationship to the property values of Shoreline.
