Subject: Tolling study amendment to 2016 City budget

I agree with SaveRichmondBeach.org:

We can't know that annexing Point Wells is the best answer for the City if we don't study other alternatives. Please approve adding money to the 2016 budget for a study of tolling on Richmond Beach Drive as it enters Snohomish County. This is a critical decision for the City with long-term consequences. It deserves a full study, including alternatives such as tolling.

I also agree with their goal:

"A small development at Point Wells with a second access road, or no development at all."

Thank you,
