7. I would just like to clarify some information that you received about the Senior Center funding:

You are aware of these things:

16,000 annual donation that has stopped.

\$20,000 revenue from Senior Services that was reduced due to United Way stopping the \$1 Mill support to Senior Services. (With the new calculations from Senior Services, the amount is now \$20,000 instead of \$22,000.)

Finally, I understand there was some confusing over the \$12,000 from catering. (This amount includes an additional \$2,000 that was not included in the original figures.) The Senior Center has a commercial kitchen and has been operating a catering business called: Kitchen Corner Catering. This business has raised \$12,000 a year from catering which goes into our general funds. Our Chef is no longer able to do catering, so we have stopped that business. Therefore we will lose \$12,000 in our general funds. We will NOT be purchasing catering. Just a clarification.

Total of \$48,000 in loss of revenue.

Thank you,
City of Shoreline
