5. 04/18/2016
6. Recology Contract
7. For those of us who have yard service and therefore no yard waste can, the composting items have to be placed in with garbage. Small containers for compost items are available but must be included as part of the contract. I would like you to consider this option in order to continue to reduce the amount of garbage in our landfills. I was told Issaquah includes this option. It would be great for condo owners and apartment renters as well.
8. (O) Support

Thank you,
City of Shoreline
