6. Solid Waste Contract
7. I am writing as a citizen of Shoreline to strongly urge the awarding of the proposed solid waste contract to Recology Cleanscapes, Inc. ("Recology").

Recology has provided me with consistently excellent residential service during the entire time they have held the current contract. Furthermore, as an involved community member, I am aware of Recology's generous support for many of Shoreline's community organizations, including the Chamber of Commerce, Dale Turner Family YMCA and Richmond Beach Community Association.

If there is such a thing as a "no brainer," awarding this contract to Recology is precisely that.

Thanks, Robert P. Brouillard
