To Shoreline City Council

PLEASE phase in the rezone!!

Phase one should be only near the station and on 5th AV NE. Phase one should be at least 50% built out before Phase 2 can be implemented. Also, we want to keep the R-6 zoning on NE 152nd, NE 151st, NE150th, NE148th streets between 8 AV NE and 10 AV NE. These neighborhoods are too small to accommodate any large apartments that would fit within MUR 35 zoning.
