7. Have you ever taken a look at photographs of historic Shoreline? It was a truly beautiful place - it's true only a shadow remains...it's sad to see that momentum play out until every shred of what made this a special place is gone...and all the land is cashed out to the highest bidder for build-out...and we lose every thing that lived here for eons so that a few can harvest a profit of a lifetime...so sad to be a witness to the end of beautiful Shoreline. We are all latecomers who have lost reverence for the land we live on.

Thank you,
