Subject: Levy increase vote

We oppose the raising of the levy limit at this time. The city needs to live within the existing levy. The city will be getting more revenue under the existing levy due to the rapid 30% + increase in property values in Shoreline over the past 2 years.

Simply put, there will soon be too many financial burdens on the typical homeowner. In addition to the increase in property taxes, you want the residents of Shoreline to support ST3 with its huge costs. Finally, looming in the future is the State's response to the Supreme Court's ruling requiring Washington to fully fund K-12 education.

Don't tax us out of our homes.

Thank you,
