7. Hello, Shoreline City Council!

We at NUHSA (North Urban Human Services Alliance) are so encouraged by the work and action we see taking place at the City of Shoreline, and by knowing that the City Council recognizes the importance of the work being done locally by human services agencies.

With rising costs in the area, more and more people are finding themselves in a position of need -- a recent study showed that a \$100 increase in rent causes a 15% increase in homelessness:

These needs spread from there, and it is so important for us as a community to provide help to those who need it. Helping any one person lifts us all up and leads to a healthier community.

At tonight's meeting ("Public Hearing and Approval of the 2017 Human Services and Community Development Block Grant Funding and Contingency Plan and the 2017-18 Human Services Funding Plan and Authorization for the City Manager to Execute Contracts to Implement Approved Programs and Projects") we hope you'll continue the strong Shoreline legacy of voting in favor of support for these services.

Thank you in advance for your votes and your work!

NUHSA Board and Staff

Thank you,
City of Shoreline
