I would like to request a continuance of the Public Hearing for the 145th Street Station Subarea Plan Package and Ordinances scheduled for Thursday, August 18th.

You have chosen a date for the Hearing that effectively eliminates thousands of residents from the Ridgecrest Neighborhood from having the opportunity to not only hear your deliberations, but you also deny them a chance to comment on an issue that will directly effect where they live. The Hearing date coincides with the largest event of the year for the Ridgecrest Neighborhood.

The 18th Annual Ridgecrest Neighborhood Ice Cream Social

Thursday, August 18

6:00 - 8:30 pm

Paramount School Park

This event attracts thousands of our residents. Anybody and everybody who lives in Ridgecrest attends this event. In fact, most look forward to the event for the entire year. Why? Because they get to hook up with friends and neighbors, have a great evening in the park, enjoying a free Ice Cream Sundae, as well as being entertained by Around the Sound Community Band, Keystone Kops, Pyrates of the Coast, play on the inflatables and more - all for free.

The Ridgecrest Neighborhood Association spends the entire year planning for this event. And no, you did not see it on the City Calendar. As the event organizer, I specifically ask city staff not to post it, as it is not a city event - it is a Ridgecrest Neighborhood event. It is the way we build community for our neighborhood.

Please, schedule a continance for the August 18th Hearing, so that Ridgecrest residents have a opportunity to be involved in this significant process and get a fair opportunity to have their voices heard. Holding a Public Hearing on an issue that directly effects our neighborhood while we are all at a neighborhood event, does not build community.

Thank you,

Patty Hale
