Subject: Rezone effect on my property
Date: Sunday, September 11, 2016 6:05:53 PM

Hello,

I have received the letter from city of Shoreline regarding the rezone updates. I would like to express my concern regarding what these changes would mean to the future of my family. My house is brand new, I have been living there for 1 year now, and is located in the area where 6-7 story buildings will be allowed. My address is 14516 1st Ave ne. Me and my wife are fully vested into our house and concerned about what the future will hold.

I tried calling Steve Szafran but did not get a response. I would like to know what exactly are the intentions regarding my property. How can I prevent getting affected financially by this? Who can I talk to on a regular basis to get updates on a timeline ?

Thank you,
Liviu Cristea

Thank you,
