6. Rezoning of the 15th St Corridor
- 7.

I own a home a stones throw from the Jackson Street Park and Ride.(off 6th Ave NE and NE 148th Street.) Looking at the designs and listening to the plans from past meetings it appears my home will be one to two homes away from the light rail station once completed.

I would like to respectfully request the city council vote for the highest building capacity, MUR 70 for the vicinity close to my home.

We understand this rezoning has increased the property values near light rail stations on the south end of Seattle and hope for the same result in Shoreline.

Thank you!

A Ridgecrest Resident
