7. I strongly OPPOSE this plan. This will not create a better neighborhood, it will create a worse Ballard type neighborhood right next to a wetland that connects to Thornton Creek. You already forced Sound Transit's hand to put the station at the worst intersection in Shoreline. It's evident that the council thinks Ridgecrest is not worth saving. You might think we're trash, but at least we have morals.

How many of the council live in non R-6 residences?
8. (O) Oppose

Thank you,
City of Shoreline
