6. Moratorium on Self-Storage Facilities
7. I support the city's six-month moratorium on self-storage facilities. I'm sure my husband and I are not alone in wanting the city to encourage development in on our commerical corridors of restaurants, small shops, cafes, etc. that will add to and promote our walkable, vibrant community. Shops, restaurants, bakeries, go hand and hand with the denser zoning, and building of apartments along Aurora and 15th NE, and the light rail subareas. Self-storage facilities are car-oriented businesses that belong in industrial zones, not where people live.
