Dear Madams & Sirs,  
As a homeowner in Shoreline, I feel this has gone far enough! I say no to any type of camping permit. I have a tough enough time getting rid of bad tenants and squatters!  
Our homes, parks and public places were not funded with my tax payments for use by squatters of any kind! Grow up and make the homeless use the public shelters available to them. Keep them out of my back yard!!!!  
Respectfully Yours,  
George Smith  
Shoreline Homeowner & Landlord.
