6. Resolution No. 401
7. I am a Shoreline resident urging the council to support Resolution 401; we need to unite as a city to protect civil liberties. This resolution is a first step towards doing this, by sending a message that vulnerable members of our community are welcome and will not be in danger. My son goes to a Shoreline school and many of his friends are immigrants and refugees. We need to send a message that they and their families are safe and supported in our city. Please support.

Thank you,
