Debbie:

Respect you so much but I am disappointed that you and the staff and possibly the council are recommending the passage of Shoreline becoming a sanctuary city. I refer to what happened to Kate Steinle in San Francisco. What a tragedy that could have been avoided!!!!

Please delay any decision by the council until you know exactly what is going to happen under the Trump administration.

For your information I am opposed to sanctuary cities. I have family and grandkids in Shoreline and I am really concerned about their safety and the safety of all our citizens. Why would the City of Shoreline do something that is illegal according to Federal Laws regardless of who is President!!

Thank you for taking my concern into consideration.

Your friend,
