7. I do not want Shoreline to play the sanctuary city game. I moved to Shoreline 30 some years ago so I would not be part of Seattle and the Seattle schools. Shoreline is doing just fine without copying every politically correct move Seattle makes. Shoreline is just fine with out making a bunch of meaningless proclamations.  
Time to deal with some of the real problems that Shoreline has rather than grandstanding for some of your liberal voters. My family votes also and we will be voting for a change in the city council.

Thank you,
