7. Our law enforcement agencies have better things to do than seeking out Illegal Immigrants. If someone is breaking the law AND they are here found to be here illegally, the officers should have the ability to do something about it. This is a federal law. Breaking the law should still be considering breaking the law, no matter who you are - black, white, citizen or not. If Shoreline loses Federal funding because of this, that will be far more damaging to our community.

I am NOT in favor of Shoreline becoming a Sanctuary City.

Thank you,
