6. Adoption of Resolution No. 401 Declaring the City of Shoreline to be an Inviting, Equitable and Safe Community for All
7. I am so proud to be a citizen of Shoreline, because it is and always has been a welcoming, inclusive, thriving community that supports embraces all people. I strongly encourage the City Council to join other cities around the nation in declaring our city an "Inviting, Equitable and Safe Community for All," by adopting Resolution No. 401.

I further encourage the City Council to have conversations about what is involved in such a declaration: such as, if we are welcoming all people to our city, what do we need to do / provide to ensure that all who come here are able to flourish and thrive within our community, e.g. human services such as housing, medical services, food, and so on.

Thank you,
