7. I urge you to adopt Resolution No. 1, declaring the City of Shoreline to be a sanctuary city for all residents regardless of immigration status. These are historic times, and we have the opportunity to be on the right side of history. Depending on your personal viewpoint, the new federal administration may be doing some things with integrity and good intent. The federal administration is also doing other things with callousness and malicious intent - and persecuting undocumented immigrants falls in this latter category. It is ethical, wise, and healthy to do what is right for all of our residents. Declaring Shoreline a sanctuary city will help ensure that some of our most vulnerable residents remain protected from the malicious side of the federal administration.
