7. I support the measure to be a so called Sanctuary city. I have been a member of the Faith Action Network for several years and as an active Christian I believe that we are to welcome the stranger in our land. We are a nation of immigrants. Our laws and Congressional roadblocks have slowed down the peaceful resolution of the flaws of the law. Several years ago I joined the Charter for Compassion. Seattle adopted this resolution and it may seem like a token effort yet it encourages those of us that are working in the community for the common good for all.

Thanks for your consideration.
