7. Dear Council Members:

Regarding the proposal for Shoreline to be a Sanctuary City, with the change in administration and upcoming potential changes to federal policy (that could effect funding) and with the lack of information that's been communicated to Shoreline residents and the impact this could conceivably have on our police and community, I think we need to slow down and not rush to pass this adoption of resolution. I am vehemently opposed to any profiling but I think it is a mistake to tie the hands of our police officers to do their jobs effectively.

Thank you for hearing my thoughts in this matter.
