Subject: Backyard Encampment Issue
Date: Monday, January 23, 2017 7:00:25 PM

We are long time Shoreline residents (Hillwood / Richmond Beach area) and we are DEFINITELY against the encampments being allowed in Shoreline!

We pay very high property taxes and have worked hard to have the opportunity to live in a clean and safe community.

Allowing encampments will compromise the cleanliness and public safety of this entire community.

What a shame that the issue is even being considered.
