Dear Shoreline City Council and Planning Committee,

I would like to (once again) voice my disapproval for 'Backyard Encampments'.
I sent a detailed email earlier stating my concerns and disapproval of the proposed backyard encampment issue.

I understand that a decision will be reached at the January 30th Council Meeting.
I hope that you consider and respect the many comments from the Shoreline community that are **NOT** in favor of backyard encampments.

Sincerely,

T. O'Toole
Shoreline WA.
