Subject: Tent city 20 foot setback on church property
Date: Wednesday, January 18, 2017 9:18:37 PM

Dear Council Members,

I have been a full member of Prince of Peace Lutheran Church in Shoreline, WA, since March, 2012. We have hosted three encampments to keep homeless people off the streets. The proposed 20-foot setback would prevent us from hosting any tent city due to the size of our parking lot. Please eliminate the Planning Commission's 20-foot minimum setback for tent encampments.

Thank you very much,

William D. Rourke
