

Lynnwood Link Extension

March 2017

Ronald Bog Park Public Meeting

Lynnwood Link wetland mitigation and public access enhancement proposal

Thursday, April 13, 7 - 8:30 p.m.

Please join Sound Transit and the City of Shoreline for a neighborhood conversation on the proposed compensatory mitigation site for Lynnwood Link light rail impacts to wetlands located within the Twin Ponds sub-basin of the Thornton Creek watershed.

The City and Sound Transit are proposing that a portion of Ronald Bog Park be the mitigation site. Elements of the mitigation site include creating new wetlands and buffer, rebuilding the shelter in a new location, relocating the “Kiss” sculpture and trail improvements in the eastern part of the park.

Meeting details

Location: Shoreline City Hall Council Chambers
Date: Thursday, April 13, 2017
Time: 7 - 8:30 p.m.
