

**Adoption of Resolution No. 414 -
Affirming the City of Shoreline's Support for
the Principles of the Paris Climate Accord**

June 19, 2017

Background

- Resolution Sponsored by Mayor Roberts and Councilmember Hall
- The Paris Climate Accord was entered into by 196 countries in 2015
- Goals of the Paris Climate Accord are in alignment with the environmental sustainability goals for the City of Shoreline
- Governments and organizations are signing onto letters expressing their support for the Paris Climate Accord
- Proposed Resolution No. 414 provides similar support

Proposed Resolution No. 14

- Affirms the principles of the Paris Climate Accord
- States that the City will continue to support policies and programs aimed at reducing greenhouse gas emissions
- Supports the Mayor signing onto the 'We Are Still In' and the National League of Cities '#Cities4Climate' initiatives

Public Comment on Resolution No. 414

- As this is a proposed Action Item in front of the City Council for the first time, public comment on this resolution shall follow this staff report but precede Council review and potential adoption.

Recommendation

Staff recommends that the City Council adopt Resolution No. 414 following public comment on the resolution.
