I'm not one to write to municipal management or otherwise, but this topic does move me to weigh in as a citizen of shoreline and a land owner / stake holder with family.

Please reconsider or further discuss any action to reduce the space in Hamlin park. Hamlin park is an incredible space in an urban jungle that will only grow denser soon. The trees... the coverage is just enough to make one feel like they are actual in a forest, it so valuable, and we can't go back.

Consider the land in the old fir crest rehabilitation / military area.. or at worst south woods.

-sincerely: Josh, Rachel, Luna and Quincy Rhea

Thank you,
City of Shoreline
