Regarding: The use of Hamlin Park for public works

I have questions about Shoreline City's plans to use part of Hamlin Park as a utility yard.

Wasn't there a \$1.25 million bond that the city had asked the voters to approve for work on the park that was finished only 7 years ago and by approving that bond, weren't the voters saying they were willing to invest in this land as a park? Not as a utility yard.

Also, I believe there is an agreement between the City of Shoreline and the Shoreline School District on park usage. My granddaughter, as a student in Shoreline schools, used trails in Hamlin Park for cross country training. Will those trails, and the agreement the City has with the Shoreline School District, be affected by using some of the park for a utility yard/public works?

Sincerely,

Leslee Shanahan

Thank you,
City of Shoreline
