CITY COUNCIL**

Chris Roberts
Mayor

Shari Winstead
Deputy Mayor

Will Hall

Doris McConnell

Keith A. McGlashan

Jesse Salomon

Keith Scully

October 10, 2017

Thank you for your recent participation and comments regarding the City's Maintenance Facility Project. Over the last few months, many residents and interested parties provided comments and I wanted to send you an update on the Project.

On October 9, 2017, the City Council passed a motion to clarify that the maintenance facility analysis should **not** consider a combined maintenance facility site at Hamlin Park. Over the next several months, staff will be further analyzing potential improvements to meet the City's long-term maintenance facility needs using a combination of sites. Staff anticipates bringing initial recommendations to the City Council in the spring of 2018, with a final preferred option in late summer. I encourage you to visit the Project page on the City's website as it will be updated regularly as the project progresses: <http://shorelinewa.gov/maintenancefacility>.

Staff and Council alike appreciate your engagement in City issues and projects. Thank you again for taking the time to write and provide feedback on this project.

Sincerely,

Debbie Tarry
City Manager
