the owner of the above property, understand that my assignment of this 'Authorization to Bill Commercial Tenant' does not relieve my responsibility for sewer service charges under RCW 57. I understand that:	
 A \$2.00 monthly Duplicate Billing Fee will be added to the bill for sending paper statements to the tenant and owner. This fee will be waived if either the owner or the tenant signs up for paperless billing. Visit the website at www.shorelinewa.gov/wastewater, Payment Options, Sign Up for Paperless Billing for details. A one-time \$13.00 Account Service Fee will be added to the bill for a commercial tenant information change. The wastewater utility does not prorate sewer charges. If an overpayment or duplicate payment occurs, the owner is the only party allowed to submit a written request to the Finance Manager for a refund. A \$13.00 Refund Processing Fee will be charged if a refund is approved. If the account becomes three billing periods past due, a lien will be filed against the property with King County Department of Records and Elections. A non-refundable Lien Fee will then be added to the account.
