

## Drainage System Maintenance Contractors

This list of contractors is provided as a courtesy to property owners and managers assist in private stormwater drainage maintenance. This is not an exhaustive list of vendors. The City of Shoreline makes no guarantee as to the accuracy of this information, nor does the City endorse a particular vendor. This is a competitive field; it is often possible to realize a substantial savings by soliciting competitive bids. *When requesting service from a contractor, provide the contractor with a copy of the inspection report and site map.* The information it contains will save time and make it easier for the contractor to prepare an accurate bid estimate. The contractors may contact Shoreline Surface Water if they require a clarification of the report.

	Catch Basin Cleaning	Pipe Jetting	CCTV Inspection	Outlet Trap Installation	Flow Control Device Installation	Stormfilter Maintenance	Pump Repair
