6. Discussion of Funding for Sidewalk Repair, Retrofit and Maintenance
7. I support City Council's power to increase the car tab tax to raise money to repair sidewalks in Shoreline. As a Ridgecrest home owner and member-at-large of the Ridgecrest Neighborhood Association, I hear from neighbors and fellow board members about the need to repair our sidewalks. I walk up and down 5th Avenue every workday to catch bus transit downtown, and in the winter months the walk can be hazardous in the dark. As a runner, I find the sidewalks full of tripping hazards, and when traffic is not heavy I prefer to run in the street. As a parent, navigating my child's stroller can be quite a feat. To ensure we are ready for the increased pedestrian traffic as a result of light rail, Shoreline needs to prioritize funding sidewalk repairs.
