

SHORELINE PLANNING COMMISSION SEEKING NEW MEMBERS

Council Chamber at Shoreline City Hall

The City of Shoreline invites interested individuals to apply for upcoming openings on the Planning Commission. The City Council will appoint volunteers to serve four-year terms beginning April 2018. Candidates must live or own property in Shoreline. Community Service Applications are due by 5:00 p.m. on Friday, Jan. 12, 2018.

About the Planning Commission

Volunteers who serve on the Planning Commission provide recommendations to the City Council on land use, growth and development issues. They are charged with reviewing and providing recommendations regarding amendments to the Comprehensive Plan, development regulations and major development proposals.

Candidates should have a general interest in environmental, growth and development issues but no technical background or experience in land use is required – important qualifications are an ability to listen to and work well with others, a willingness to read background reports provided prior to the meetings, and a commitment to regular attendance and active participation at the meetings.

The Planning Commission meets in the Council Chamber at Shoreline City Hall, on the first and third Thursdays of each month at 7:00 p.m. New members will be sworn in at the April 5th Planning Commission meeting.
