Subject: [EXTERNAL] please no new car fee

Mayor Roberts,

Even though I think we can improve some of the sidewalks, please do not approve a \$20 vehicle license fee for sidewalks Dec 11. I am still in shock over my higher car tab fee as a result of the new ST3 tax. I can not manage another fee increase now. Please scale back the sidewalk plan or do it in phases over a longer period of time.

Thank you,

Mary Ann Higgins
