# Response to City Council Questions from April 2, 2018

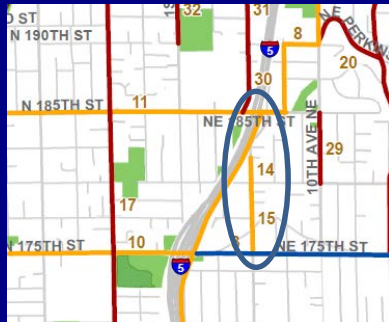

# Light Rail Access Improvement Projects

Total Sound Transit Light Rail Access funding available for each station is \$2,000,000.

At the South Shoreline/145th Station:

- Project 16: 1st Avenue NE (NE 145th to NE 149th) - fully funded at \$1,273,725.
- Project 13: 1st Avenue NE (NE 149th to NE 155th) - partially funded at \$726,275 (of \$1,503,900).

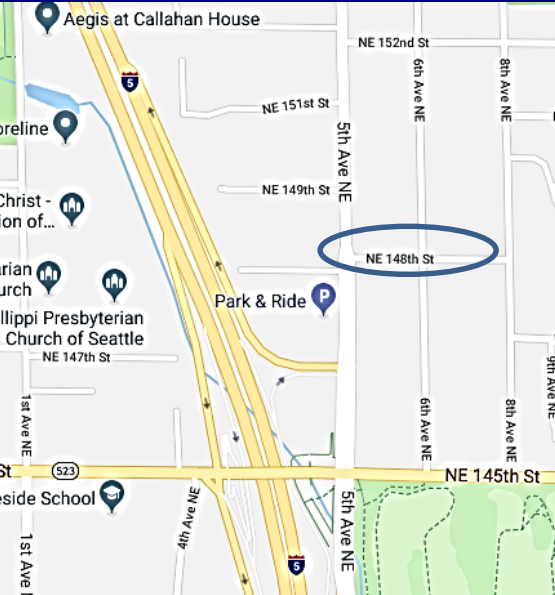

At the North Shoreline/185th Station:

- Project 14 : 5th Avenue NE (NE 180th to NE 182nd) - fully funded at \$560, 250.
- Project 15 : 5th Avenue NE (NE 175th to NE 180th) – partially funded at \$1,439,750 (of \$1,765,800).

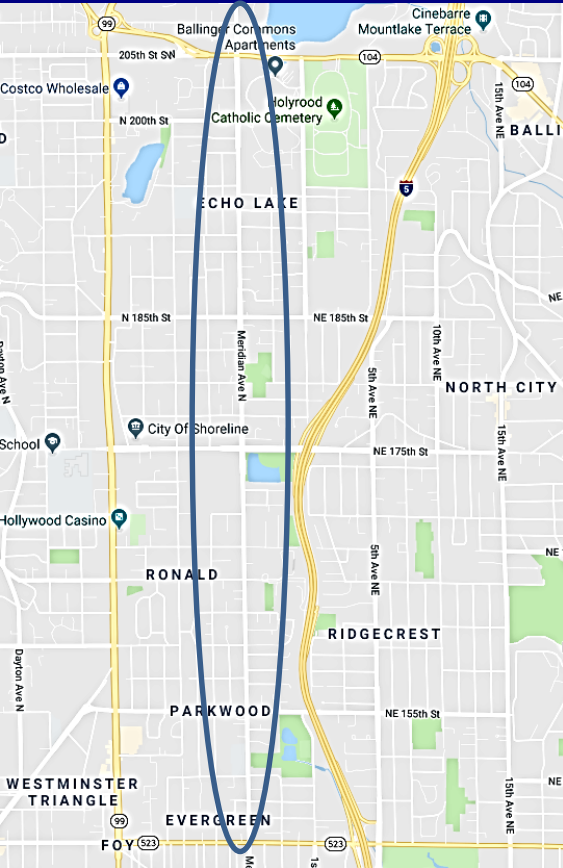

With Council approval of these proposed changes the total TIP cost is reduced by \$1.1M to a total cost of \$196,363,874.

# NE 148<sup>th</sup> Street, between 5<sup>th</sup> Avenue NE and 8<sup>th</sup> Avenue NE

- Council also asked why NE 148<sup>th</sup> Street, between 5<sup>th</sup> Avenue NE and 8<sup>th</sup> Avenue NE (across from the 145<sup>th</sup> light rail station), was not included in the funded list of light rail station access improvement projects.
- This segment of roadway did not score very highly using either the Sound Transit access criteria or the updated sidewalk prioritization criteria.
- Staff is not recommending this project for TIP funding.

# Project 17: Meridian Avenue N – N 145<sup>th</sup> Street to N 205<sup>th</sup> Street

- Council asked if the Meridian Avenue N project should be funded given other City priorities.
- Staff recommends moving Project 17 - Meridian Avenue N to the “unfunded” category.
- Moving this project to unfunded (with Light Rail project reductions) reduces the total funded amount of the TIP from \$ 125,397,877 to \$ 107,163,877

# Staff Recommendation

- Staff recommends that Council adopt Resolution No. 429, adopting the 2019-2024 Transportation Improvement Plan.
