Working as a volunteer with the Shoreline Police Department will require a complete background check and a polygraph test. We will schedule an interview with the officers assigned to our neighborhood centers to discuss your potential volunteer assignment. At that time, you will be asked to complete a background investigation packet and return it to us. The application process may take several weeks.

Please indicate your permission to proceed with this volunteer application and your willingness to complete the background packet and allow the background investigation to be completed.

“I agree and give permission to the Shoreline Police Department and the King County Sheriff’s Office to perform the necessary background investigation. “

## INFORMATION

***Who are the Shoreline Police Volunteers and what do they do?*** They are local citizens interested in community oriented policing in their own neighborhoods, committed to making Shoreline *the* place to live and work.

Our volunteer may be the person who lives next door to you or the retiree with a special skill the City of Shoreline can use. This volunteer may be a parent or grandparent who answers the telephone when you call the Police Neighborhood Center, or helps with court reminder calls, victim follow up calls or office duties. He or she may be a retired businessperson who enters information into the Police computers and does crime analysis, or a working person who manages a volunteer shift in addition to a work schedule and family duties.

***What do these volunteers do?*** They make it possible for the Police Department to maintain two neighborhood centers and provide vital programs to the Shoreline community. A commissioned police officer is assigned to each center, but volunteers can answer your questions or check your house while you are on vacation. Volunteers help with citizens coming in with questions, issue pet licenses, and may refer citizens to appropriate city departments. They can find community resources and are invaluable in helping people who may need help- but don't know where to start looking.

Our volunteers do court reminders calls, victim follow up calls, update and maintain business emergency notification cards, vacation house checks, false alarm tracking and crime analysis. Volunteers must pass a rigorous background check and polygraph, and commit to at least four hours per week.

Our volunteers are one of the City's most valuable assets and Shoreline's invisible benefit.
