5. 07/30/2018
6. Reducing tree retention/replacement in MUR 70 zones
7. Increasing the number of existing trees that can be destroyed in MUR 70 zones is extremely disappointing. We cannot hope to maintain our quality of life or our certification as a Tree City if we continue to make these kinds of decisions. This isn't just about maintaining beauty and habitat for creatures but about making an effort to improve air quality and decrease global warming.
8. (o) Oppose

Thank you,
City of Shoreline
